About Mashari

Founded in 1990 in Dammam, Mashari Factory stands as one of Saudi Arabia's leading manufacturers of premium solid surface solutions.

- For more than three decades, we have specialized in delivering high-quality products for major projects across the Kingdom. Our offerings include:
- *Kitchen countertops • vanities • wash basins • Reception • wall cladding*
- *we provide complete kitchen solutions, including aluminum, wooden • Stainless steel .*
- *Thermoformed products (bathtubs, reception counters, complex designs).*
- Our craftsmanship supports a wide range of sectors, including hotels, residential compounds, commercial developments, and private villas—ensuring durability, elegance, and precision in every installation.

Partner with professionals who elevate your vision.
